[Arborist Apprenticeship - Standards - 2019:20](#)

The new Arborist Standard is a detailed course, specified by the industry and will provide apprentices with the practical skills and knowledge to be able to work to a high standard.

[Equine Advanced Level Apprenticeship - 2018:19](#)

Provides a high standard of yard-based training. On the Advanced Apprenticeship, you'll take on more responsibilities. You could be working towards becoming a trek leader, riding instructor or a yard manager. The course aims to provide a high standard of yard-based training. Apprenticeships give you the change to 'earn while you learn' and are supported by the employer and the government to allow you to develop your skills 'on the job'.

[Equine Groom Intermediate Level Apprenticeship - Standards - 2018:19](#)

This course is for people who want to work with and train horses in a riding school or livery yard. The course covers the welfare, supervision and riding of horses. It's one of the most diverse industries within the land-based sector with opportunities for working in livery yards, riding schools, racing yards, training yards or using harnessed horses. Apprenticeships give you the change to 'earn while you learn' and are supported by the employer and the government to allow you to develop your skills 'on the job'.
