[Degree Level Programmes](#)

There are many reasons to consider studying at Merrist Wood College, including our commitment to you making sure you reach your full potential:

1. Competitive Fees

Our tuition fees are competitive, so you could save yourself money

2. University Validated

All our Degree and Foundation Degree programmes are validated by Kingston University assuring you of the highest level of academic quality and standards.

3. Employer-Endorsed

We work closely with employers to ensure our programmes are delivering the skills and knowledge they need in the workplace and that you need for your chosen career. Our programmes also provide excellent career prospects when you leave.

4. Work-Based Learning Opportunities

Our Degree Level programmes provide opportunities for you to gain first-hand experience in a range of working environments related to your chosen career.

5. Extensive Industry Links

We have strong links with associated industries to enhance the learning experience.

6. Small Class Sizes and Quality Teaching

The Quality Assurance Agency for Higher Education (QAA) has confirmed the quality and standards of provision at Merrist Wood College following its review in September 2014.

UK Quality Assured
