Our Football Development Centre offers full-time education programmes for 16-19 year olds, which incorporates both full-time football training with post-16 education across five days.

Students have the opportunity to take a course related to their career interests and gain an understanding of the football industry whilst developing their own football skills and performance.

Coaches working on the programme are experienced college tutors and UEFA qualified coaches. The college team plays in the top national league and the coaches and tutors work hard to create opportunities for the players to play outside of college.

**Some benefits of undertaking the below qualifications and joining our Football Development Centre are:**

- Daily training and games
- UEFA qualified coaches
- Trips and tours, previous trips include Barcelona and Tenerife
- Top national leagues
- Excellent progression routes to university, USA (coaching and playing scholarships), UK playing routes, Coaching and other industry roles
